

**Developing An Excellent Education Plan for your Faculty Early Career
Development (CAREER) Program Proposal**

June 13, 2006

Working Document: Your CAREER Education Plan

1. What part of your research do you hope to infuse into your education plan?
2. What audience are you targeting? Why are you targeting them? Have you considered issues of diversity and under-representation in this selection?
3. How will you locate/recruit your proposed audience to your project?
4. What other efforts on campus can you connect with to improve the success and impact of your efforts?
